Natural beauty

Designer Shareen Joel has created a Zen zone made for pampering. Interesting shapes, such as the egg-shaped bath, take the edge off the neutral colour palette and smooth surfaces. The wall niches for storing toiletries are conveniently positioned and double as display shelves.

Floor tiles: Galia Noce, Signorino Tile Gallery
Wall tiles: Via Condotti, Signorino Tile Gallery
Bath: Apaiser Haven
Tapware: Scala wall and basin sets, Reece

■ Rain-shower fitting evokes the outdoors

■ A niche keeps toiletries close at hand

■ Uniform shades help maintain a visual flow

■ The bath is the sculptural centrepiece of the room
