

# Aquileart

*Outstanding design always stands out*

*Introducing Aquileart® by Lockwood, an exciting new collection of colour-coordinated door hardware which raises the bar in design excellence. Innovative and affordable, Aquileart® adds a luxury finish to your project at just a fraction of what it usually costs to create a designer look and feel. Enduring style and value. That's what really sets Aquileart® apart.*

**Design by  
Shareen Joel**

**With over 15 years product design experience working for some of the world's most eminent organisations, Shareen is renowned for her impeccable attention to detail.**

Our stunning Aquileart® Shareen Joel Collection reflects the tastes of today's style-savvy consumer, seamlessly blending ingenious lever design with ultra-modern sophistication. Crisp clean lines and a perfect blend of natural and man made elements add depth, detail and warmth to both commercial and domestic interiors. The result? Stunning simplicity that complements every architectural environment. It's the key to Shareen's enduring design.
