Car/bike/plane/boat model: Bike- Velorbis – pure style! Boat- Brenta 60 Car- New & vintage Porsche 911 & Aston Martin DB7- the styling never dates!

Chair model: Cassina Utrecht- it's both classic and surprisingly comfortable.

Residential space: Le Corbusier's Villa Savoye. The design is simple, honest and beautiful – a dream house!

Commercial space: I love the Louvre glass pyramid – it's incredible to stand inside and look up. Also, locally I love the new RMIT Design Hub. The pivoting circles on the façade cast stunning shadows throughout.

Functional product: Artemide Tizio Task Lamp – I have one at work and home.

Handmade good: Natural hide Robert Clergerie tote bag & Fredericia Borge Morgensen leather dining chairs. The leather patinas beautifully.

meal: I can't go past steak tartare with loads of spice!

restaurant: Nopi in London

drink: A thirst quenching Caprioska.

item in your studio: The Tivoli radio- I cant bare the quiet in the office!

piece of technology: MacBook Pro & iphone- although predictable!
